Ice Cream Cart Event Procedures & Policy

Ice cream cart is available for party and event rentals, and requires 2 weeks advance notice to reserve cart. We appreciate customers filling out orders in advance and paying for ice cream the day of the event. (Cash, Company Check or Credit Cards ONLY.) We can deliver and pick up cart or customer may arrange for cart pickup on event day - and return the same or next day. **A utility trailer w/ramp is required.** Customer needs to bring ramps & straps to secure the cart in their trailer. Cart is very heavy (400 lbs empty). **It is always best if we deliver & pickup cart.** We only have 2 Push Carts available so reserve yours well in advance of your event date.

Standard features of our Ice Cream Cart Event program:

- **FREE** Ice Cream Cart rental when you purchase a **minimum of \$275.00** worth of ice cream. Carts hold up to 25 or more boxes of ice cream bars and our event coordinator can assist you in most popular selections. Cart serves several hundred people (up to 900) depending on size of ice creams selected.
- Refundable Security & Damage Deposit for reserving cart is \$250.00 and is paid in advance. We hold the check or reserve deposit on credit card until you return the cart undamaged.
- Select your Novelty Ice Creams 10 days before the date of the event. If keeping cart overnight you are responsible for plugging the cart into standard 120v outlet after each event day.
- All ice cream is billed at prices shown on pricelist minus any applicable quantity discounts, and paid for at time of pickup. Total event pricing can be emailed to you prior to event day or you may print out price list with your choices and email it back to us.
- Dry Ice is not needed for our cart – it has holdover plates that can keep the ice cream frozen for up to 6-8 hours without plugging it in.
- **We do not rent empty carts & customer must buy all products served from Chilly Billy's.**

Cart may be supplied with an attractive Umbrella and has easy roll caster wheels. The cart is best on solid pavement or flooring and does not move well on grass. A utility trailer with a ramp is recommended for customers transporting carts. For damage and safety reasons we would rather deliver & pickup cart ourselves. We can Drop-off and Pick-up cart at a later time **starting** at \$50.00, depending on distance from Tonawanda, NY.

***** Please do not use tapes, adhesives or Command Strips on cart surface or graphics.**

Ice cream signs, if requested, are included with each rental. Customer is not charged a daily cart rental fee if they purchase a daily minimum of \$275.00 of ice cream. Allow at least 2 weeks advanced notice. Cart returns are to be done before 10PM on event day, or by 2:00 PM next day. **No refunds are given for excess ice cream not served during event, due to health code restrictions.** **Customer is responsible for any and all damages to cart, top lid, graphics and umbrella while being rented.** Customers who pre-pay event (\$250.00) damage deposit may email in their order prior to day of event. All orders are to be paid in full at time of delivery or pickup unless prior approval has been granted by **Chilly Billy's Ice Cream** management. **We accept credit cards, cash or company checks only. 716-578-8449.**
